DS : 90 ml & 1 litre

**When Need More Milk Production, Improve fertility & Fat%**

Fulfill the Nutrient Gap with ....

# Chelated Minomin<sup>TM</sup>

Chelated Minerals, Vitamins with  
Power of Vegetable Coated Protein

**Benefits :**

- Improves fertility rate / reduces dry period
- Reduces inter calving period
- Increases resistance power
- Treats infertility & repeat breeding
- Enhances growth & immune function
- Helps overall growth of young calves
- Cures weakness of legs
- Improve SNF & fat%

**Usage & Administration :**

- 25 g to 30 g per cow / buffalo per day to be mixed in the feed .
- 10 g to 15 g per calf per day be mixed in the feed.  
Or 1 kg Minomin Powder to be mixed in 100 kg feed.

**Fish :**

1 kg of Minomin Powder to be mixed in 100 kg feed.

Presentation : 1 kg, 5 kg, 10 kg & 20 kg

**An instant milk booster & Fertility charger....**

**4x Protection against .....**  
**FOOD POISONING • GASTRIC PROBLEMS • MYCOTOXIN • BLOAT & TYMPANY**

Activated Charcoal with Laxative Suspension  
Enriched with Aloevera

**Indications :**

- ☒ Impaction
- ☒ Bloat and Tympamy
- ☒ Food Poisoning
- ☒ Gastric Problems

Directions for use :  
Cattle, Buffalo, Horse & Camel :  
1-2 ml / kg body wt.  
Calf, Sheep & Goat : 1-2 ml / kg body wt.  
Repeat dose after 12 hours

| COMPOSITION Each ml Contains : |          |
|--------------------------------|----------|
| Activated Charcoal             | 300 mg   |
| Aloevera Extracts              | 0.25 ml  |
| Sodium Thiosulphate            | 10 mg    |
| Milk of Magnesia               | 0.125 ml |
| Sodium Sulphate                | 5 mg     |
| Ginger Extract                 | 0.25 ml  |
| Fenugreek Extract              | 0.125 ml |
| Magnesium Carbonate            | 4.5 mg   |
| Flax Seed Oil                  | 0.25 ml  |
| Simethicone                    | 200 mg   |
| Osmotic Laxative               | qs       |

**Presentation :**  
200ml & 500 ml

**Overall for a better health & Digestion....**

**Tone up LIVER in better way...**

# Digetox-DS<sup>TM</sup>

**Liver Protector & Stimulant**

**Mode of action....**

- Prevent and Control Fatty Liver
- Prevent and Control Damage by Toxin
- Keep Liver Healthy and Active
- Improve Growth and Immunity
- Neutralise Stress
- Improve Feed Intake

Enriched with Silymarin & Ginger

**NEW PACK**

| Composition :         |         |
|-----------------------|---------|
| Each 10 ml. contains: |         |
| Tricholine Citrate    | 100 mg. |
| Inositol              | 10 mg.  |
| DL-Methionine         | 10 mg.  |
| Vitamin B12           | 20 mcg. |
| Biotin (Vit H)        | 4 mcg.  |
| Protein Hydrolysate   | 50 mg.  |
| Yeast Extract         | 100 mg. |
| Liver Extract         | 100 mg. |
| L-Lysine              | 20 mg.  |
| Ginger Powder         | 50 mg.  |
| Silymarin             | 100 mg. |
| Syrup base            | qs.     |

**Dosage :**  
Large Animal – 40-50 ml daily  
Small Animal – 15-20 ml daily

**Presentation : 1 Lit & 500 ml**

**Tone up LIVER in better way...**

**Tone up the  
UTERUS with...**

# Uterichem-DS<sup>®</sup>

**An Ideal Ecbolic & uterine cleansing Agent ....**

**Advantages:**

- Reduces uterine pain & inflammation
- Promotes involution of uterus
- Ensure healthy conception rate
- ROP uterine cleanser ecbolic
- As supportive therapy in metritis, pyometra & milk enhancer

**Dosage & Administration :**

Large Animal : 1<sup>st</sup> day 200 ml (loading dose) followed by 100 ml  
Small Animal : 1<sup>st</sup> day 100 ml (loading dose) followed by 50 ml

**Presentation : 1 litre & 500 ml**

Super Combination of  
Uterine Cleansing Herbs &  
Trace Elements  
Zinc, Copper, Cobalt  
and L-Lysine

**Tone up uterus naturally...**

## Reproductive Target with all fertility Factors...

# Fertichem™

Active Ingredients :

Beta carotene, Vitamin E & Vitamin K, Chelated Zinc, Chelated Copper, Chelated Manganese, Iodine, Cobalt, Selenium, Bioactive Chromium

Improved Synthesis of **Reproductive Hormones**.  
Freedom from Uncertain **Hormonal** disbalance.  
Improved **Conception Rate**.

**Dosage & Administration :**

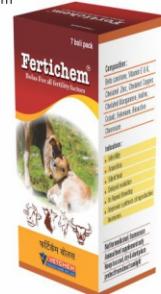

**To improve heat :**

1 bolus orally daily for 21 days during the cycle.

**To improve conception rate :**

1 bolus orally daily 7 days before and after AI.

Presentation : 7 boli pack

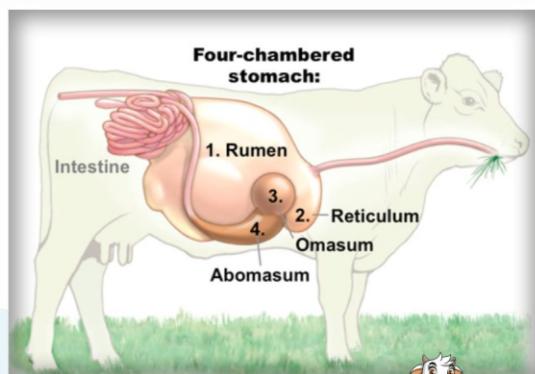

**Indicated in :**

- Anestrus Condition
- Low Intensity of Heat / Silent Heat
- Repeat Breeding
- Hormonal Deficiency
- Delayed Ovulation

*Reproductive Target for Optimum Production...*

**For a better start of Digestive Functions Normally...**

**Antibiotic Stress      Climatic Stress      Change in Feed      Disease Conditions**

# DigesacC®

BOLUS

**Indications :**

- Better Intake      ● Profitability      ● Milk Yield & Production

Exclusive Combination  
for desire result...

|                |            |

Box of 10 strips and each strip contains 4 boli

**Restart Rumen Activity Naturally...**

**Composition :**

|                      |         |
|----------------------|---------|
| Calcium Propionate   | 60 gm   |
| Live Yeast           | 3 gm    |
| Thiamin B1           | 50 mg   |
| Picrorrhiza dry ext. | 250 mg  |
| Pulv Ginger          | 100 mg  |
| Pulv Gention         | 300 mg  |
| Pulv Nuxvomica       | 1000 mg |
| Ferrous Sulphate     | 50 mg   |
| Copper Sulphate      | 25 mg   |
| Cobalt Sulphate      | 50 mg   |
| Dextrose Base        | q.s.    |

**Usage & Administration :**

Cow, Buffalo & Horse : 125 gm 1st day followed by 62.5 gm for 3-5 days.  
Small Animals : 25 gm daily for 5 days.  
Or as directed by the veterinarian.

Presentation: 125 gm pack

# DigesacC-RB™

Rumen Buffer Powder

**INDICATED IN :**

- Indigestion      Disturbed Rumen Motility      Bloat / Flatulence
- Rumen Acidosis      Rumen Impaction/Stasis

*Restart Rumen Activity Naturally...*

Ensure **Better Health, Growth & Production**

Presentation : 100 ml & 500 ml

**Advantages :**

- Improves milk production & SNF content of the milk.
- Improves immunity & disease resistance .
- Makes udder healthy & larger.
- Prevents infertility & reproductive problems.
- Enhances growth & production.
- Calves growth
- During mastitis for udder health & tissue repair

**Usage :**

|                                  |                |
|----------------------------------|----------------|
| Cow & Buffalo                    | : 20 ml daily  |
| Calves                           | : 5 ml daily   |
| Sheep & Goats                    | : 5 ml daily   |
| Dog & Cats                       | : 2-3 ml daily |
| <b>Poultry</b> (Each 100 birds ) |                |
| Chicks                           | : 5 ml.        |
| Growers                          | : 7 ml.        |
| Broilers & Layers                | : 10 ml.       |

**Multi Task Single Solution...**

*The most desired  
Electrolytes for Stress &  
Metabolic Regulation*

**Advantages:**

- Reduces stressful conditions
- Reduces panting
- Maintain the electrolyte balance
- Increases milk production & milk yield
- Restore the electrolyte balance
- Helps in diarrhoea
- Increases feed intake
- Prevents leg weakness

**Usage & Administration :**

Poultry: 1 gm. / 2 Liter of water  
Cow / Buffaloes /Horses: 100 - 200 gm. / day.  
Calves/ Sheep/Goat/Dogs: 10 - 20 gm. / days.  
Mixed with feed or drinking water  
Or as directed by the veterinarian.

## Single charging boost to Neuronal Fatigue....

Committed always for  
all Neurological Disorder...

Indicated in:

Peripheral Neuropathy | Drug induced Neuropathy | Neuritis & Neuralgia | Muscle Dystrophy (MD) | Megaloblastic Anaemia

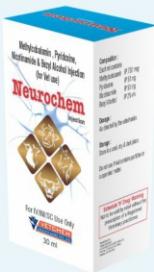

**Composition :**  
Each ml contains  
Methylcobalamin IP 750 mcg  
Pyridoxine IP 50 mg  
Nicotinamide IP 50 mg  
Bezyl Alcohol IP 2% v/v

**Dose :**  
Large Animals : 10-15 ml IM / IV route  
Small Animals : 5-7 ml IM / IV route  
Or as directed by the veterinarian

**Presentation :** 30 ml & 99 ml

# Neurochem™

Methylcobalamin, Pyridoxine, Nicotinamide & Bezyl Alcohol Injection

### Mode of action:

#### Methylcobalamin (B12)

- Well transported to nerve cell organelles & promotes nucleic acid & protein synthesis
- Promotes axonal transport & axonal regeneration

#### Pyridoxine HCL (B5)

- Essential for the synthesis of serotonin & other neurotransmitters
- Overcomes convulsions, weight loss, nervous irritability & stomach disorder

#### Nicotinamide (B6)

- Preserve & improve beta cell functions

*Best supplement for Neuronal Health...*

## In the management of Intrauterine & Uterus infections...

The complete post-partum care...

# Uterichem®-IU

Suspension

A Superior Combination for Broad Spectrum Activity  
against Aerobic & Anaerobic Bacteria

Indicated in....

METRITIS | ENDOMETRITIS | CERVICITIS | VAGINITIS  
RETAINED PLACENTA | PYOMETRA

Acts even in the presence of pus

*making parenthood a pleasure for both cattle & calf...*

For the use of a Registered Veterinary Practitioner or a Hospital or a Laboratory only.

## Improves gut health naturally

# OREGO-STIM™

Orego-Stim® is the 100% natural feed additive used  
globally in livestock to maximize overall performance  
and returns.

### Recommendations

- To control diarrhoea in animals
- To control calf scours and coccidiosis
- To improve appetite and digestion
- To improve body weight gain in calves
- To improve milk production
- Adjunct to antibiotics / anthelmintics for improving gut health

### Usage Instructions

Adult animal: 10 gm per day for large animal for 3-5 days, orally  
Calves: 2-3 gm per day for 3-5 days, orally  
In severe conditions dose may be increased to 1.5 times of the above

Imported by:  
 SAIFE VETMED  
Private Limited

### Benefits

- Two Natural Phenols compound, Carvacrol (82%) & Thymol (2.4%) provide Anti-Bacterial action against Gram+ve & Gram-ve Bacteria
- Anti-diarrhoeal, Anti-viral and Anti-fungal agent
- Zero milk withdrawal period
- Effective for control and prevention of coccidiosis
- Effective against bacteria resistant

*Improve Gut Health Naturally....*
